

## REMARKS

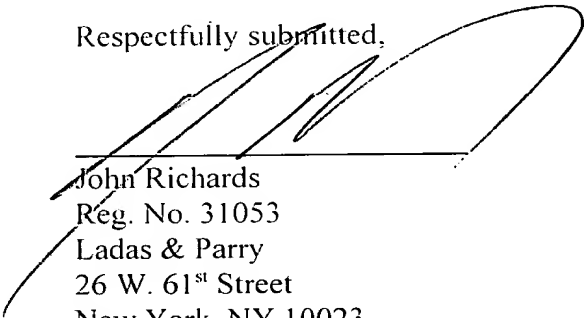

Attached hereto is an appendix containing the revised drawings

So far as the drawing is concerned, Figure 2 has been deleted in accordance with the Examiner's suggestion and the specification has been amended accordingly. In doing this some grammatical corrections have also been made.

Non-elected claims have been cancelled without prejudice to the possibility of filing a divisional application to the cancelled subject matter.

It is therefore submitted that the application is now in order for allowance and an early action this end is respectfully submitted.

Respectfully submitted,

John Richards
